Independent Audit of Certification Procedures and Outcomes

Independent Auditors

Glenn Newkirk

Mr. Newkirk co-founded InfoSENTRY in 1994 as an information systems consulting and technology project management firm. He has substantial experience in managing all areas of the information technology project lifecycle, including project management, business continuity planning, independent verification and validation (IV&V), quality assurance (QA), performance management, risk assessment reviews, user/systems acceptance testing, and project recoveries for the public, private, and not-for-profit sector clients.

Mr. Newkirk has provided consulting expertise on statewide voter registrations systems and voting systems in the states of Arkansas, Colorado, Idaho, Illinois, Maryland, Nevada, North Carolina, Ohio, Oregon, Pennsylvania, and Utah.
